CRIMINAL HISTORY INFORMATION

Pursuant to Act 486 of the 2022 Regular Session of the Louisiana Legislature, anyone with a criminal record who is interested in pursuing an education to become a licensed dentist or dental hygienist in Louisiana has the right to petition the Board prior to beginning the education program for a determination pursuant to R.S. 37:33 on whether their criminal history would disqualify them from licensure. Criminal convictions may be used as a basis for denial of licensure. All of the factors listed in R.S. 37:2950 will be considered in determining whether licensure will be denied.

GENERAL INFORMATION

- Read all information and instructions prior to completing and submitting your application.
- *The board is unable to "rush" applications.* The standard processing time is approximately 30 days **after** receipt of your **completed application**. This includes all attachments and documents sent on your behalf by a third party.
- You should not make commitments on loans, practice start dates, home purchases, etc., until a license has been granted and you have it in your possession.
- The board will not verify receipt of documents prior to receipt of a completed application.

- Applicants should manage their own applications. The board will not communicate with any third party regarding the status of an application.

It is at the sole discretion of this board to grant licensure, and the filing of this application, along with the \$350 fee, in no way guarantees approval of licensure.

ACCEPTABLE CLINICAL LICENSURE EXAMINATION

The **only** acceptable clinical licensure examination is the ADEX examination (regardless of testing agency). You must have completed **all** portions of the ADEX examination (DSE, endodontics, prosthodontics, restorative, and periodontics).

Your application, fee, and **all attachments** must be received in the board office within **5 years of your successful completion** of the ADEX examination.

The board staff will query your ADEX results upon receipt of your application. There is no need to request a certification of your ADEX results be sent to the board office.

If you completed dental school more than 6 months before the date your application and all attachments are received in the board office, you must have each of the regional testing agencies (CDCA-WREB-CITA, SRTA, and CRDTS) provide a certification of your complete examination history with that agency regardless of whether you have attempted an examination with that agency. If you have not attempted an examination with an agency, the certification should contain your name and identifying information along with a statement indicating that you have never attempted an examination administered by that agency. Please note that CDCA, WREB, and CITA have now all merged into one entity.

If you did not complete the ADEX examination within 5 years of the date the board receives your license application and all attachments, then you do not qualify for a Louisiana dental license by examination. You may, however, qualify for a license by credentials. Please contact the board office for additional information.

PROOF OF U.S. CITIZENSHIP OR PERMANENT RESIDENCY STATUS OR LEGAL AUTHORITY TO LIVE AND WORK IN THE U.S.

You must show documentation that you have current, valid authority to live and work in the United States. All documentation must be an original or certified true copy and mailed to the board office. **Documents you send to the Louisiana State Board of Dentistry will not be returned to you.**

U.S. citizens must submit an original or certified true copy of your

- U.S. birth certificate (available from the vital statistics office in the U.S. state in which you were born), or
- U.S. naturalization certificate.

U.S. permanent residents must submit an original or certified true copy of your current U.S. permanent resident card.

If you are NOT a U.S. citizen or permanent resident, please call the board office directly to determine what documentation you should submit.

FINGERPRINT BACKGROUND CHECK

You may schedule your fingerprint background check online through IdentoGO **AFTER** the board has received your application and fee. Do **not** have your prints taken before your completed application and fee are received in the board office.

If the board receives the results of your criminal background check before receiving your application and fee, the results will NOT be accepted. You will be required to schedule a second fingerprint background check at a service center. There will be an additional cost.

You will be able to check the status of your background check through the service center after you have been printed. Please do not call the board office to see if we have your results.

For additional information, see the fingerprint background check information and instructions later in this packet.

FEE

The **non-refundable** application fee is \$350. The board accepts only checks or money orders made payable to the Louisiana State Board of Dentistry.

OPIOID MANAGEMENT COURSE

All applicants must complete 3 hours of opioid management to receive their Louisiana dental license. The board maintains a list of approved opioid management CE courses on the CE page of its website at <http://www.lsbd.org/conted.htm>. The first course listed is offered through Dentalcare.com and will satisfy the requirement entirely.

Keep your opioid management CE certificate to upload to CE Broker after your license has been issued. This is required to renew your license for the very first time.

JURISPRUDENCE EXAMINATION

All applicants for a dental license must complete the jurisprudence examination. The test consists of 100 true/false and multiple choice questions. You must answer 75 correctly to pass the exam. The information you will be tested on may be found in the Louisiana Dental Practice Act. You may download and print a copy of the DPA from the board's website at www.lsbd.org.

Please contact the board office to schedule the jurisprudence exam. **You may not schedule your jurisprudence test unless and until your application and fees have been received in the board office.**

Jurisprudence test scores are valid for one year. If your license is to be issued more than one year after you completed the jurisprudence exam, you must retake it.

APPLICATION TIMELINE

The board office will notify you of any deficiencies in your application. Repeatedly calling the board hinders the processing of your application.

The processing of licensure applications will take a minimum of 30 days after the board's receipt of your **completed** application. Plan your application time accordingly. Rush requests are not possible.

RELOCATION

If your address changes after you submit your application and before you receive your license, you **must** notify the board of your new address. This notification must be in writing and either emailed, faxed, or mailed to the board office. The board is not responsible for licenses sent to an incorrect address due to an applicant's failure to update his or her address with the board.

NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification¹ that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.²
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.³

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁴

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

Privacy Act Statement

This privacy act statement is located on the back of the [FD-258 fingerprint card](#).

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.
