Attachments: 23.6.12 to legislators register & feis.pdf

Pursuant to R.S. 49:968(D)(1)(b), the Louisiana State Board of Dentistry (the "Board") hereby announces its plan to finalize the May 20, 2023, Notice of Intent that was published on pages 931-933 of the *Louisiana Register*. A copy of the rules, as published, are attached for your review. Also attached is the approved Fiscal and Economic Impact Statement.

LAC 46:XXXIII.122 provides a list of the specialties the board approves, but also has a catch all category that provides that any area of dentistry for which a dentist has completed a post-doctoral program consisting of at least two full-time years and which program is accredited by a dental accreditation agency that is recognized by the United States Department of Education will be recognized as a specialty field. The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.122 to remove the list and simply have the catch all category as a definition for specialties.

LAC 46:XXXIII.301 provides a list of the specialties the board approves, but also has a catch all category that provides that any area of dentistry for which a dentist has completed a post-doctoral program consisting of at least two full-time years and which program is accredited by a dental accreditation agency that is recognized by the United States Department of Education will be recognized as a specialty field. The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.301 to remove the list and simply have the catch all category as a definition for specialties.

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.1509 to clarify that any dentist with a sedation permit can provide sedation services to another dentist to the level allowed by the permit.

The Louisiana State Board of Dentistry is amending LAC 46:XXXIII.1709 to change the number of years that examination scores are valid for initial licensure from three years to five years following the candidate's successful completion of an accepted licensing examination.

The Board did not receive any comments to these proposed rule changes or requests for a public hearing and no changes have been made to these proposed rules since publication in the May 20, 2023 edition of the Register. Therefore, subject to legislative oversight by either the House or Senate Health and Welfare Committees, the Board intends to submit these rules to the Office of the State Register for publication on August 20, 2023. Please contact the undersigned at (225) 219-7330, if the board can be of any assistance to you concerning these rules.

With kindest regards, I am

Yours truly
